## CORN TORTILLAS

### Sonora Corn

A traditional grandmothers home-style tortilla perfect for tacos, enchiladas and eating out of hand. 6 inch size, 100ct case.

Madrid Santa Fe Trading Company is owned and operated by the Madrid family and is located in South Sacramento near the metropolitan Airport. Following a successful restaurant career in New Mexico and Sacramento, Andy and Lola Madrid started a tortilla business in 1983, initially producing six tortillas per minute. They created a line of specialty tortillas in 1993 and saw production rise to 5,000 tortillas a day. Currently, the business is in the hands of their children and they are producing up to 35,000 flavored tortillas per day.

## FLOUR TORTILLAS

The Madrids emphasize the healthy aspects of their tortillas; low fat, no food coloring, cholesterol free, no trans fat. They use 100% soybean oil, whole wheat flour and literally bake fresh ingredients-garlic, onions, spinach, tomatoes, jalapenos, cilantro-into their flour tortillas. To ensure quality and freshness, we stock only a limited amount of 12" Santa Fe Tortillas.

- **Tomato Basil-12"**
- **New Mexico Red Chile-12"**
- **Spinach Onion-12"**
- **Whole Wheat Flour-12"**
- **Variety Pack-12"**

(8" and 10" are available with a 48 hour pre order).

The following tortillas are packed 100 per case, in 8", 10" or 12" size and available with a 48 hour pre order.

- **Black Bean & Garlic**
- **Garlic Butter**
- **Chipotle**
- **Rosemary & Olive**
- **Cinnamon & Sugar**

## HAND PRESSED

**10" Hand-pressed flour tortillas sold by the 10ct package or 12 package case**

The uses of the tortillas are only limited to the creative imagination of the culinary artist. The unique colors and flavors provide the cook with a visibly appealing condiment or main entrée. Unlike other wraps that use dried, artificial flavorings and food coloring, these eye-catching tortillas are **hand-pressed**, all natural and 100% vegetarian and vegan.
